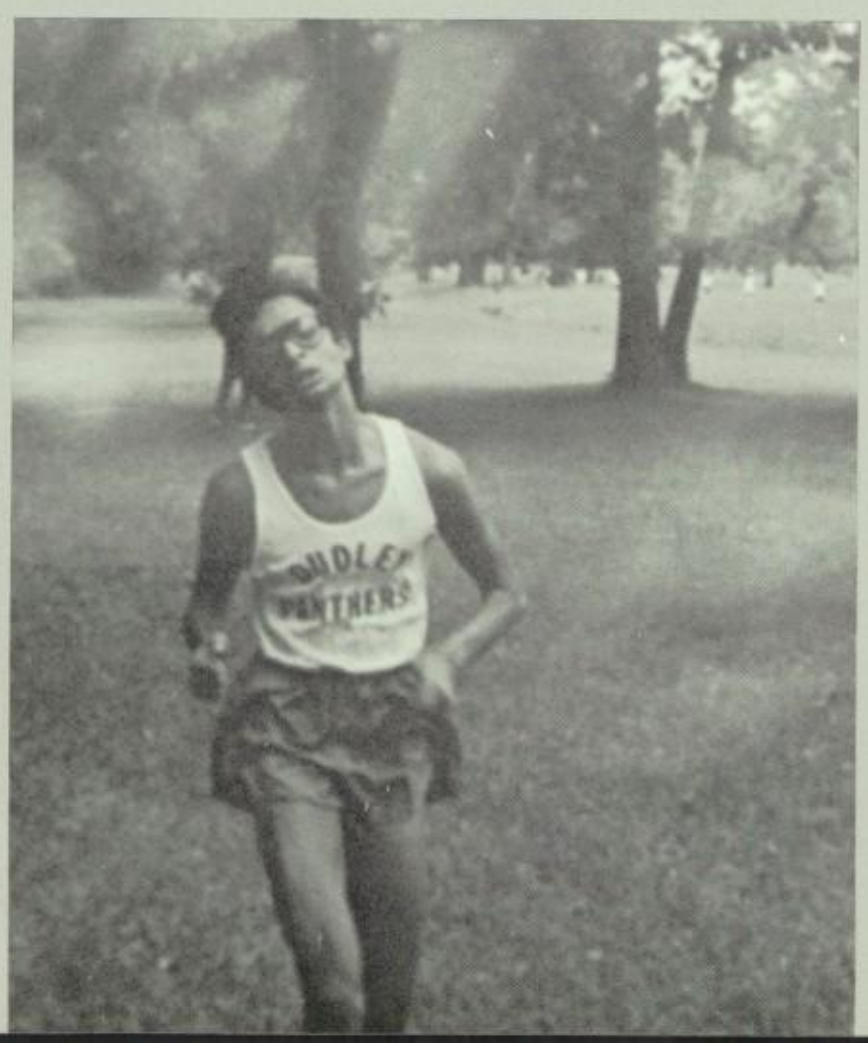
# ALMA MATER

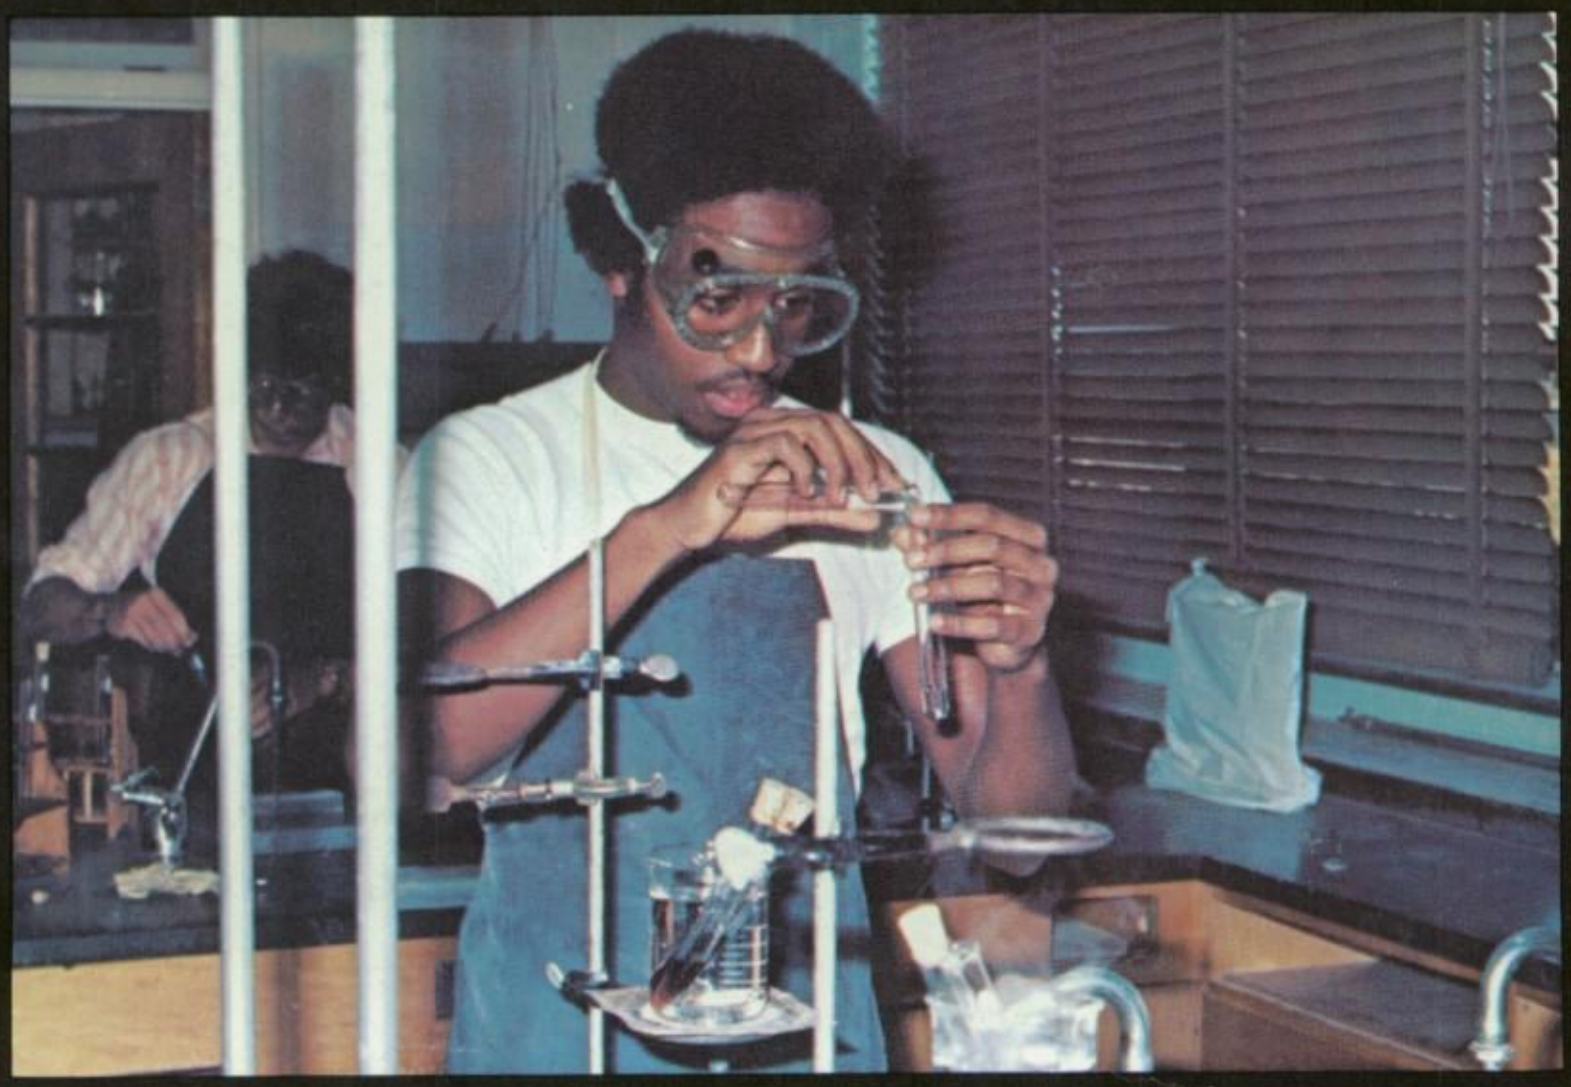
M. BEATTY

DEAR DUDLEY HIGH, OUR ALMA MATER TRUE,
DEEP THOUGHTS OF LOVE, WE'LL ALWAYS HAVE FOR YOU
WE SHALL STRIVE ON AS OTHERS TOO, HAVE DONE
AND IN THY STRENGTH, LIFE'S VICTORIES WILL BE WON,
OUR DUDLEY HIGH WE'LL EVER PRAISE AND LOVE THEE
SUCCESS AHEAD THROUGH OPEN DOORS WE SEE.

FOUNDATIONS BUILT, OUR LIVES WILL FORGE AHEAD
ON LOVE AND KINDNESS, HAVE OUR YOUNG SOULS FED,
STRENGTH OF OUR LIFE DEAR MOTHER AND OUR HOME,
BE THOU OUR LIGHT IN ALL THE YEARS TO COME,
OUR DUDLEY HIGH, WE'LL EVER PRAISE AND LOVE THEE
SUCCESS AHEAD THROUGH OPEN DOORS WE SEE.



The past, the present, and the future are really one —
they are today . . . Stowe



We are caught
in the web
of changing times,
Threads of our lives
Cling to the old while
forming the new.

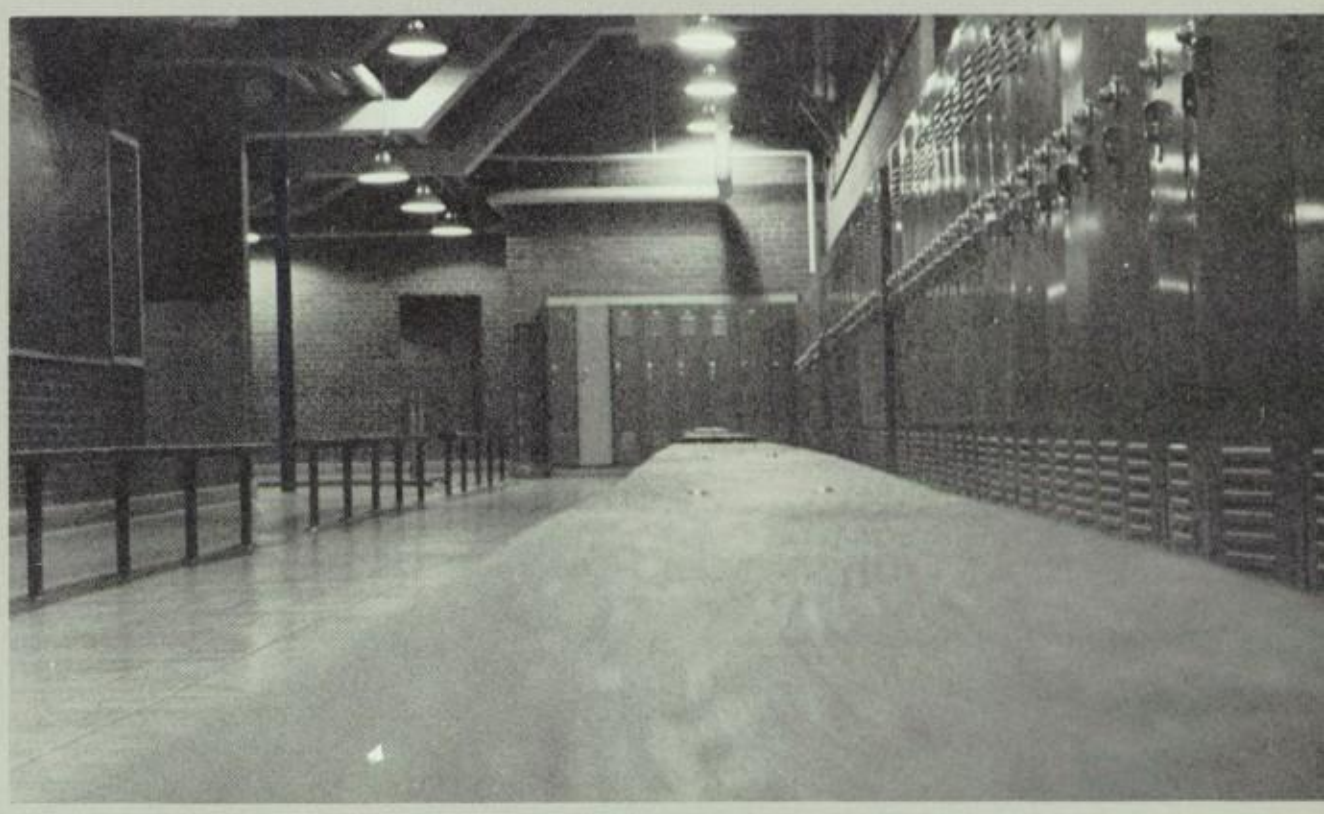
I realize just what
You mean to me . . . . . .

DUDLEY HIGH

A time to laugh

A time to weep

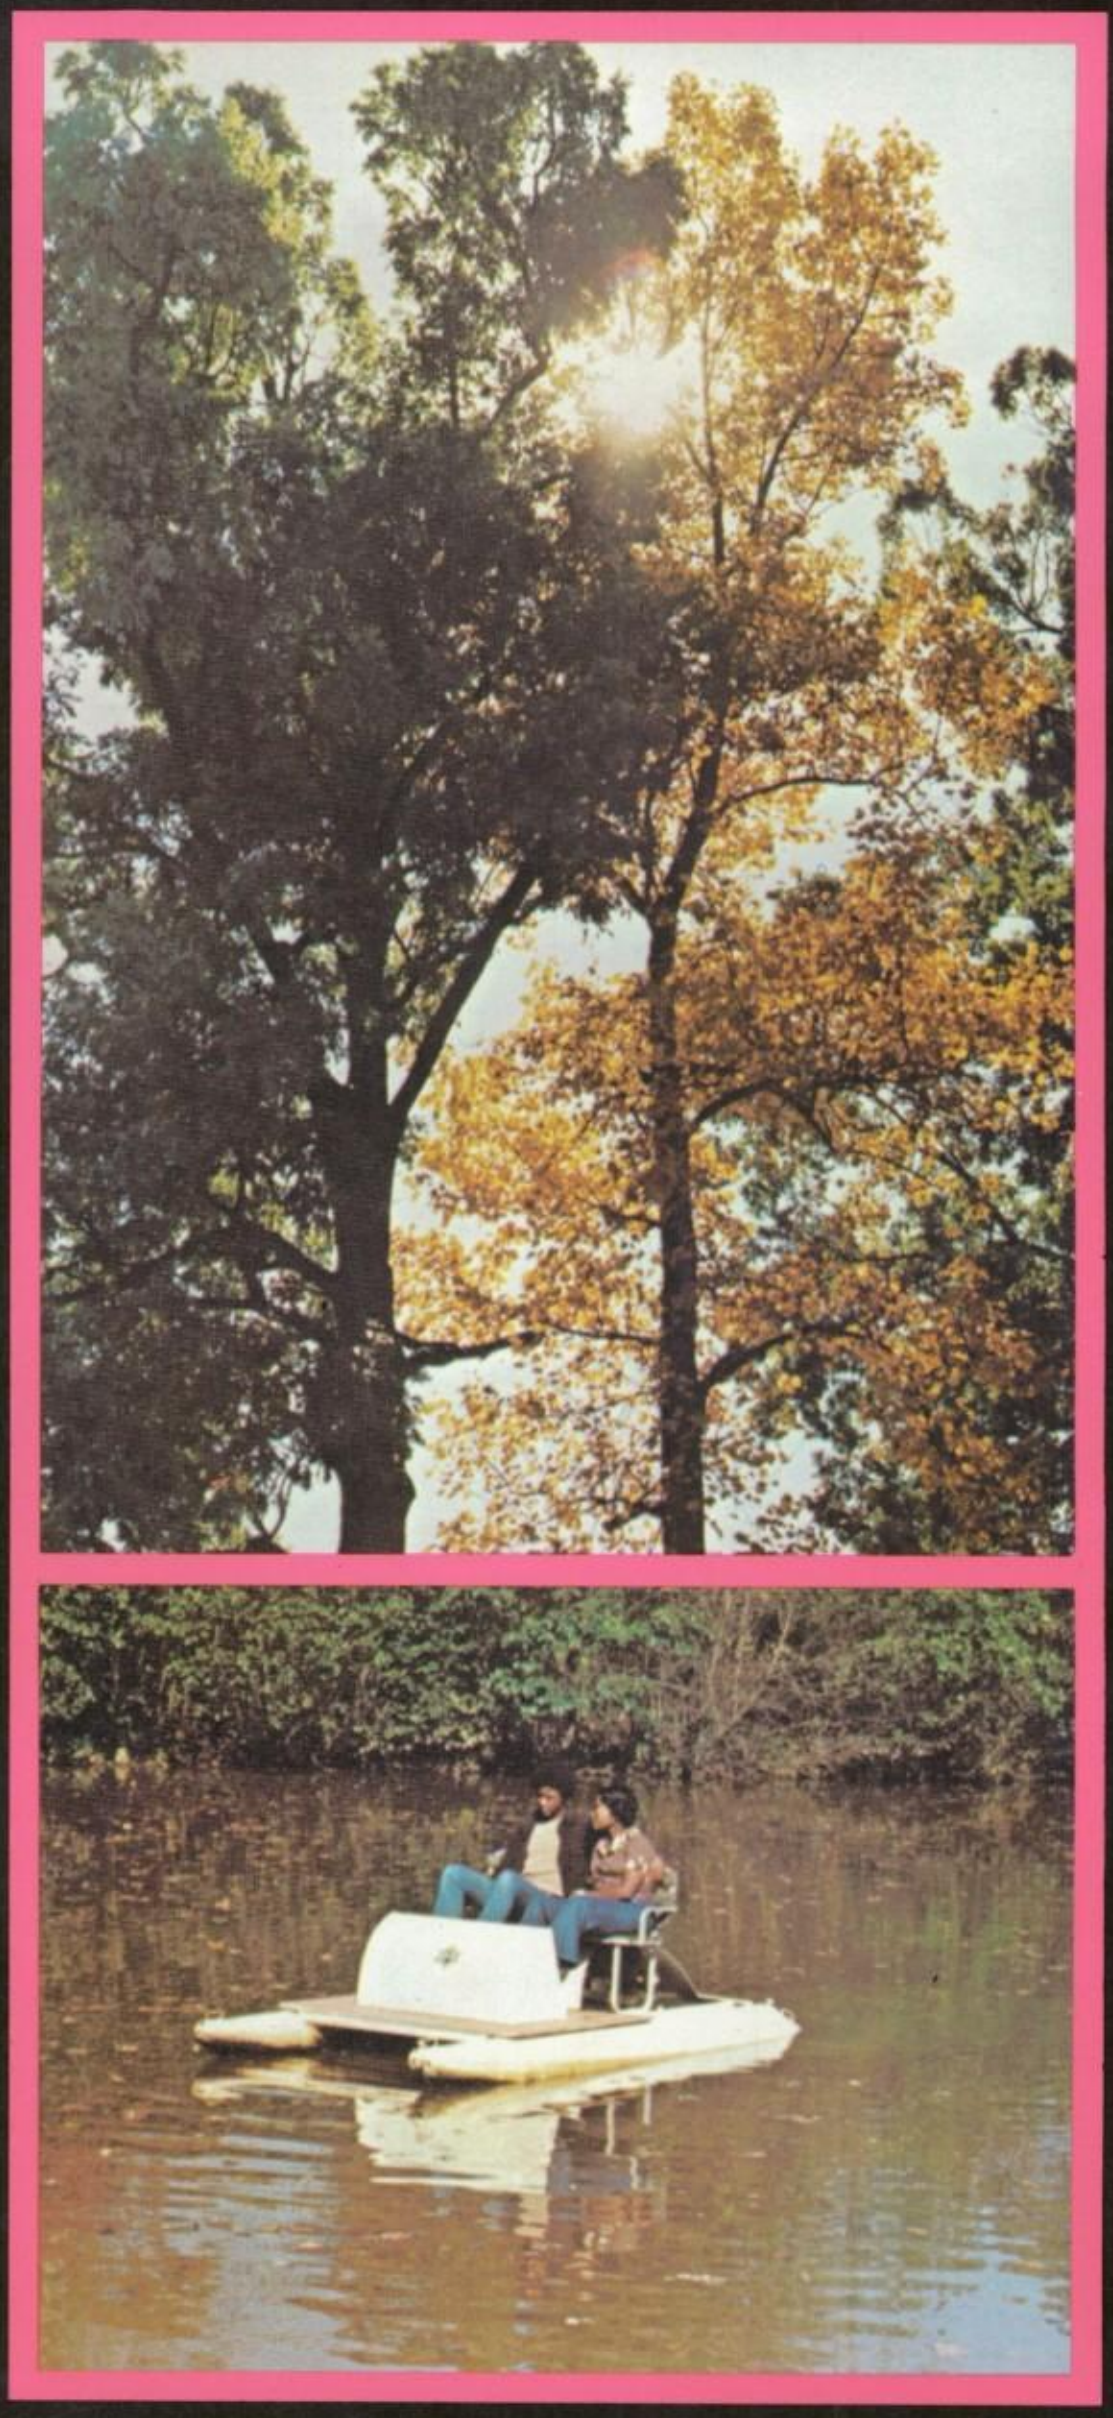
A time to keep silent

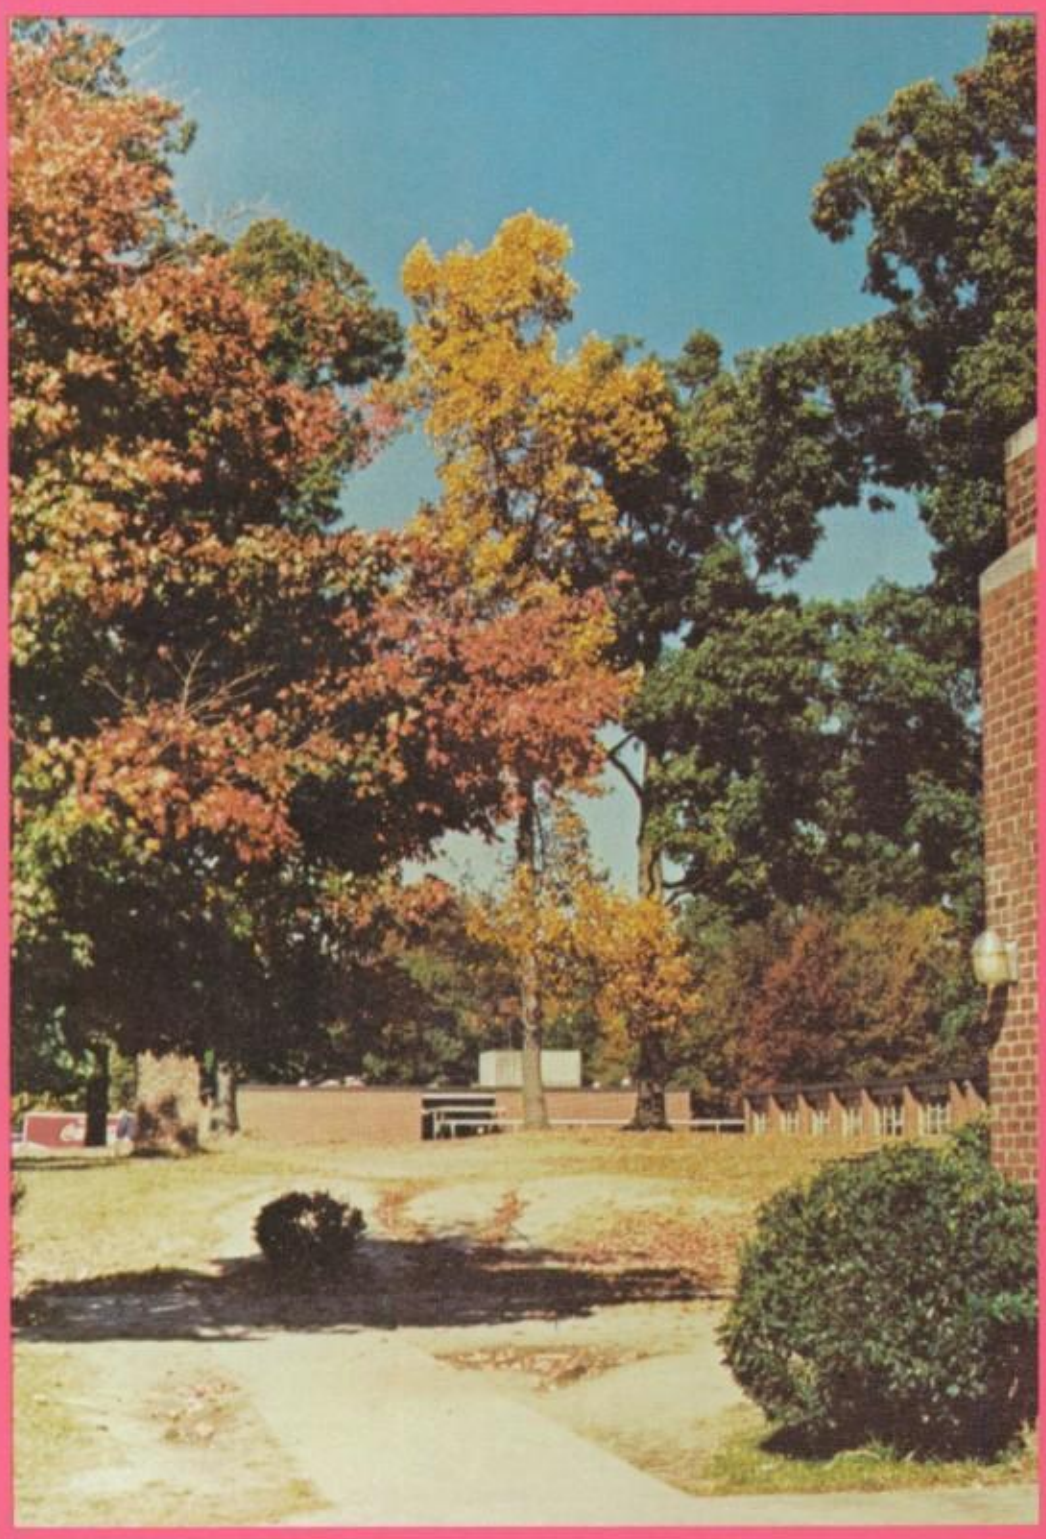


A time to speak

A time to build up

A time to break down





"To every thing there is a season . . .
a time to every purpose under heaven . . .
a time to be born . . .
and a time to die . . .
a time to weep . . .
and a time to laugh . . .
a time to break down . . .
and a time to build up . . .
a time to keep silent . . .
and a time to speak . . .
a time to love . . .
and a time to hate . . .
a time of war . . .
and a time of peace"

# Don Bohlen Epitomizes New Young Breed of Teachers

Seldom does a teacher enter a new surrounding and immediately captivate the interest of his students and his peers. But for Mr. Don Bohlen, he has not only captured the interests but also the feelings and emotions of all those with whom he has come into contact.

A deeply loyal and concerned man, Mr. Bohlen has taught at Dudley for the last four years. In those few short years, he has enriched the lives of countless inquisitive students, as well as many parents and fellow faculty members. However, Mr. Bohlen is not only devoted to individuals but to all of Dudley High School, as exemplified by his many activities within the school.

He serves as the coach of the girls' and boys' tennis teams, co-advisor to the Hi I-Q Bowl team and serves in the time-consuming role of advisor to the Student Council. As a very enthusiastic follower and leader of Dudley High School, Mr. Bohlen attends countless school functions and activities, many times taking pictures for the newspaper and yearbook.

For his deep concern, interest, and enthusiastic devotion to the students of Dudley High School, we dedicate this 1975 PANTHER to Mr. Don Bohlen.

# Navy Show Band East Bridges Generation Gap

The Navy Show Band East is a musical group from the United States Navy stationed in Norfork, Virginia. The band members are either Chief Petty Officers or seamen, and the young lady who sings has been in the Navy for about one year and entered to sing with them. The band plays in all the Eastern United States and abroad. They recently travelled 2,000 miles up the Amazon River in South America. During their visit here in September, they played a few songs from the 50's, including "Rock Around The Clock" and ended their program by playing two songs from "Chicago" — "Feeling Stronger Everyday" and "Just You and Me."

# Record Breaking Crowd For Musical

The opening night of Carnival was November 21, 1974. The next four nights found over 150 students from Dudley and Grimsley High schools overflowing with music, dance, and drama. "Carnival" played to over 1500 delighted audience members and began a new era of musical comedy at Dudley and a new era of cooperation among city high schools.

The musical centers around Lili, an orphan who needs a job very badly. She comes to the Carnival looking for work and finds cruelty, but she also finds love and a little bit of maturity.

All the characters were very well cast in their roles, but several showed superlative acting ability. Susan Russell, as Lili, played a very persuasive, young, naive girl looking for a job in the carnival. Gary McCluskey did an excellent job of portraying Schlegal, the rough, hard-hearted carnival owner. Alan Kaplan, as Marco played a lecherous magician; and Nathan Sikes, as Paul, was the perfect embittered puppeteer.

Mr. Daniel Seaman from Dudley and Mr. Parrish from Grimsley directed the musical.

# Science Students Get Glimpse of "This Atomic World"

In the fall of 1974 "This Atomic World" presented a demonstration for Dudley students involved in the science program. It was sponsored by North Carolina State University in conjunction with Oak Ridge University, Oak Ridge, Tennessee. The purpose of the exhibition was to introduce and emphasize the effect of the atom in today's world, making this the atomic age.

Mr. John Dilday, a representative from North Carolina State University, discussed the structure of the atom, the Periodic Table, radioactivity, and static electricity. He displayed models of a nuclear reactor and a Van de Graaf. Several Dudley students participated in the demonstrations.

# Music Groups Observe Education Week

On October 31, 1974, the music students of Dudley gave a mass concert, which included the Concert Band, under the direction of Mr. J. Morgan; the Choral Society, under the direction of Julia Richmond; the stage band, under the direction of Mr. Maxwell; and the Orchestra, under the direction of Mr. Jones. Many songs used in the performance were orchestrated for the band, percussion ensemble, and choir, so that they could perform together. A few selections included "The Entertainer," "One World," "Shaft," and "Jesus Joy of Man's Desiring." Soloist were Krystal Patrick, Joel Woody, and Jay Lineberry.

# Extra-Curricular Activities Provide Opportunities for Inter-School Competition

Academics as well as extra-curricular activities is an important part of life at Dudley. Activities such as Debate, Governor's School, and High IQ Bowl are a few activities which provides an opportunity for students for all four high schools to work together and compete against other schools. This year the Debate Team is a new organization at Dudley. As usual, a number of students represent Dudley at the Governor's School and High IQ Bowl.

# Memories of Last Year's Graduates

The Class of 1974 graduated on June 8, 1974 in the War Memorial Auditorium at the Greensboro Coliseum Complex. This group was the first integrated class to have gone through Dudley for all three years. It was also the first class not to graduate on its campus.

Senior Honors Day, a highlight of the end of the semester, was held on May 31 in Dudley's gymnasium. This program recognized honor students, and scholarships were presented to named recipients. The seniors were capped in this traditional ceremony. The speaker for the occasion was Henry Frye, Guilford County Member of the North Carolina State Legislature.

# Miss Yearbook 1974-75 ..... Pat Roach

Senior Pat Roach, daughter of Mr. and Mrs. Bobby A. Roach, was declared the winner of the first annual MISS YEARBOOK contest. Pat was sponsored by the Spanish Club and raised $57.18.

Pat is a member of the Student Affairs Committee, and she has been in the Spanish Club and National Honor Society for two years.

As an honor student she participates in Advanced Placement courses in English, history, chemistry, and math during her senior year.

She also enjoys swimming, boating, cooking, and singing with her church Youth Choir.

# Homecoming Theme: Let's Put It All Together

Many festivities were sponsored by the cheerleaders and other groups to promote spirit for Homecoming Week. Halls were decorated and several assemblies were held during the week of October 21-25. The theme for the week was Let's Put It All Together.

The highlight of the Homecoming preparations was the slave auction in which cheerleaders, majorettes, panth-erettes, teachers and football players were sold.

Seventh period Friday, October 25, a pep rally was held to prepare everyone for the game that night against North Forsyth. During the rally, the Mr. Dudley Contest was held. Bradford Knight was the winner and received a kiss from Miss Homecoming as his prize.

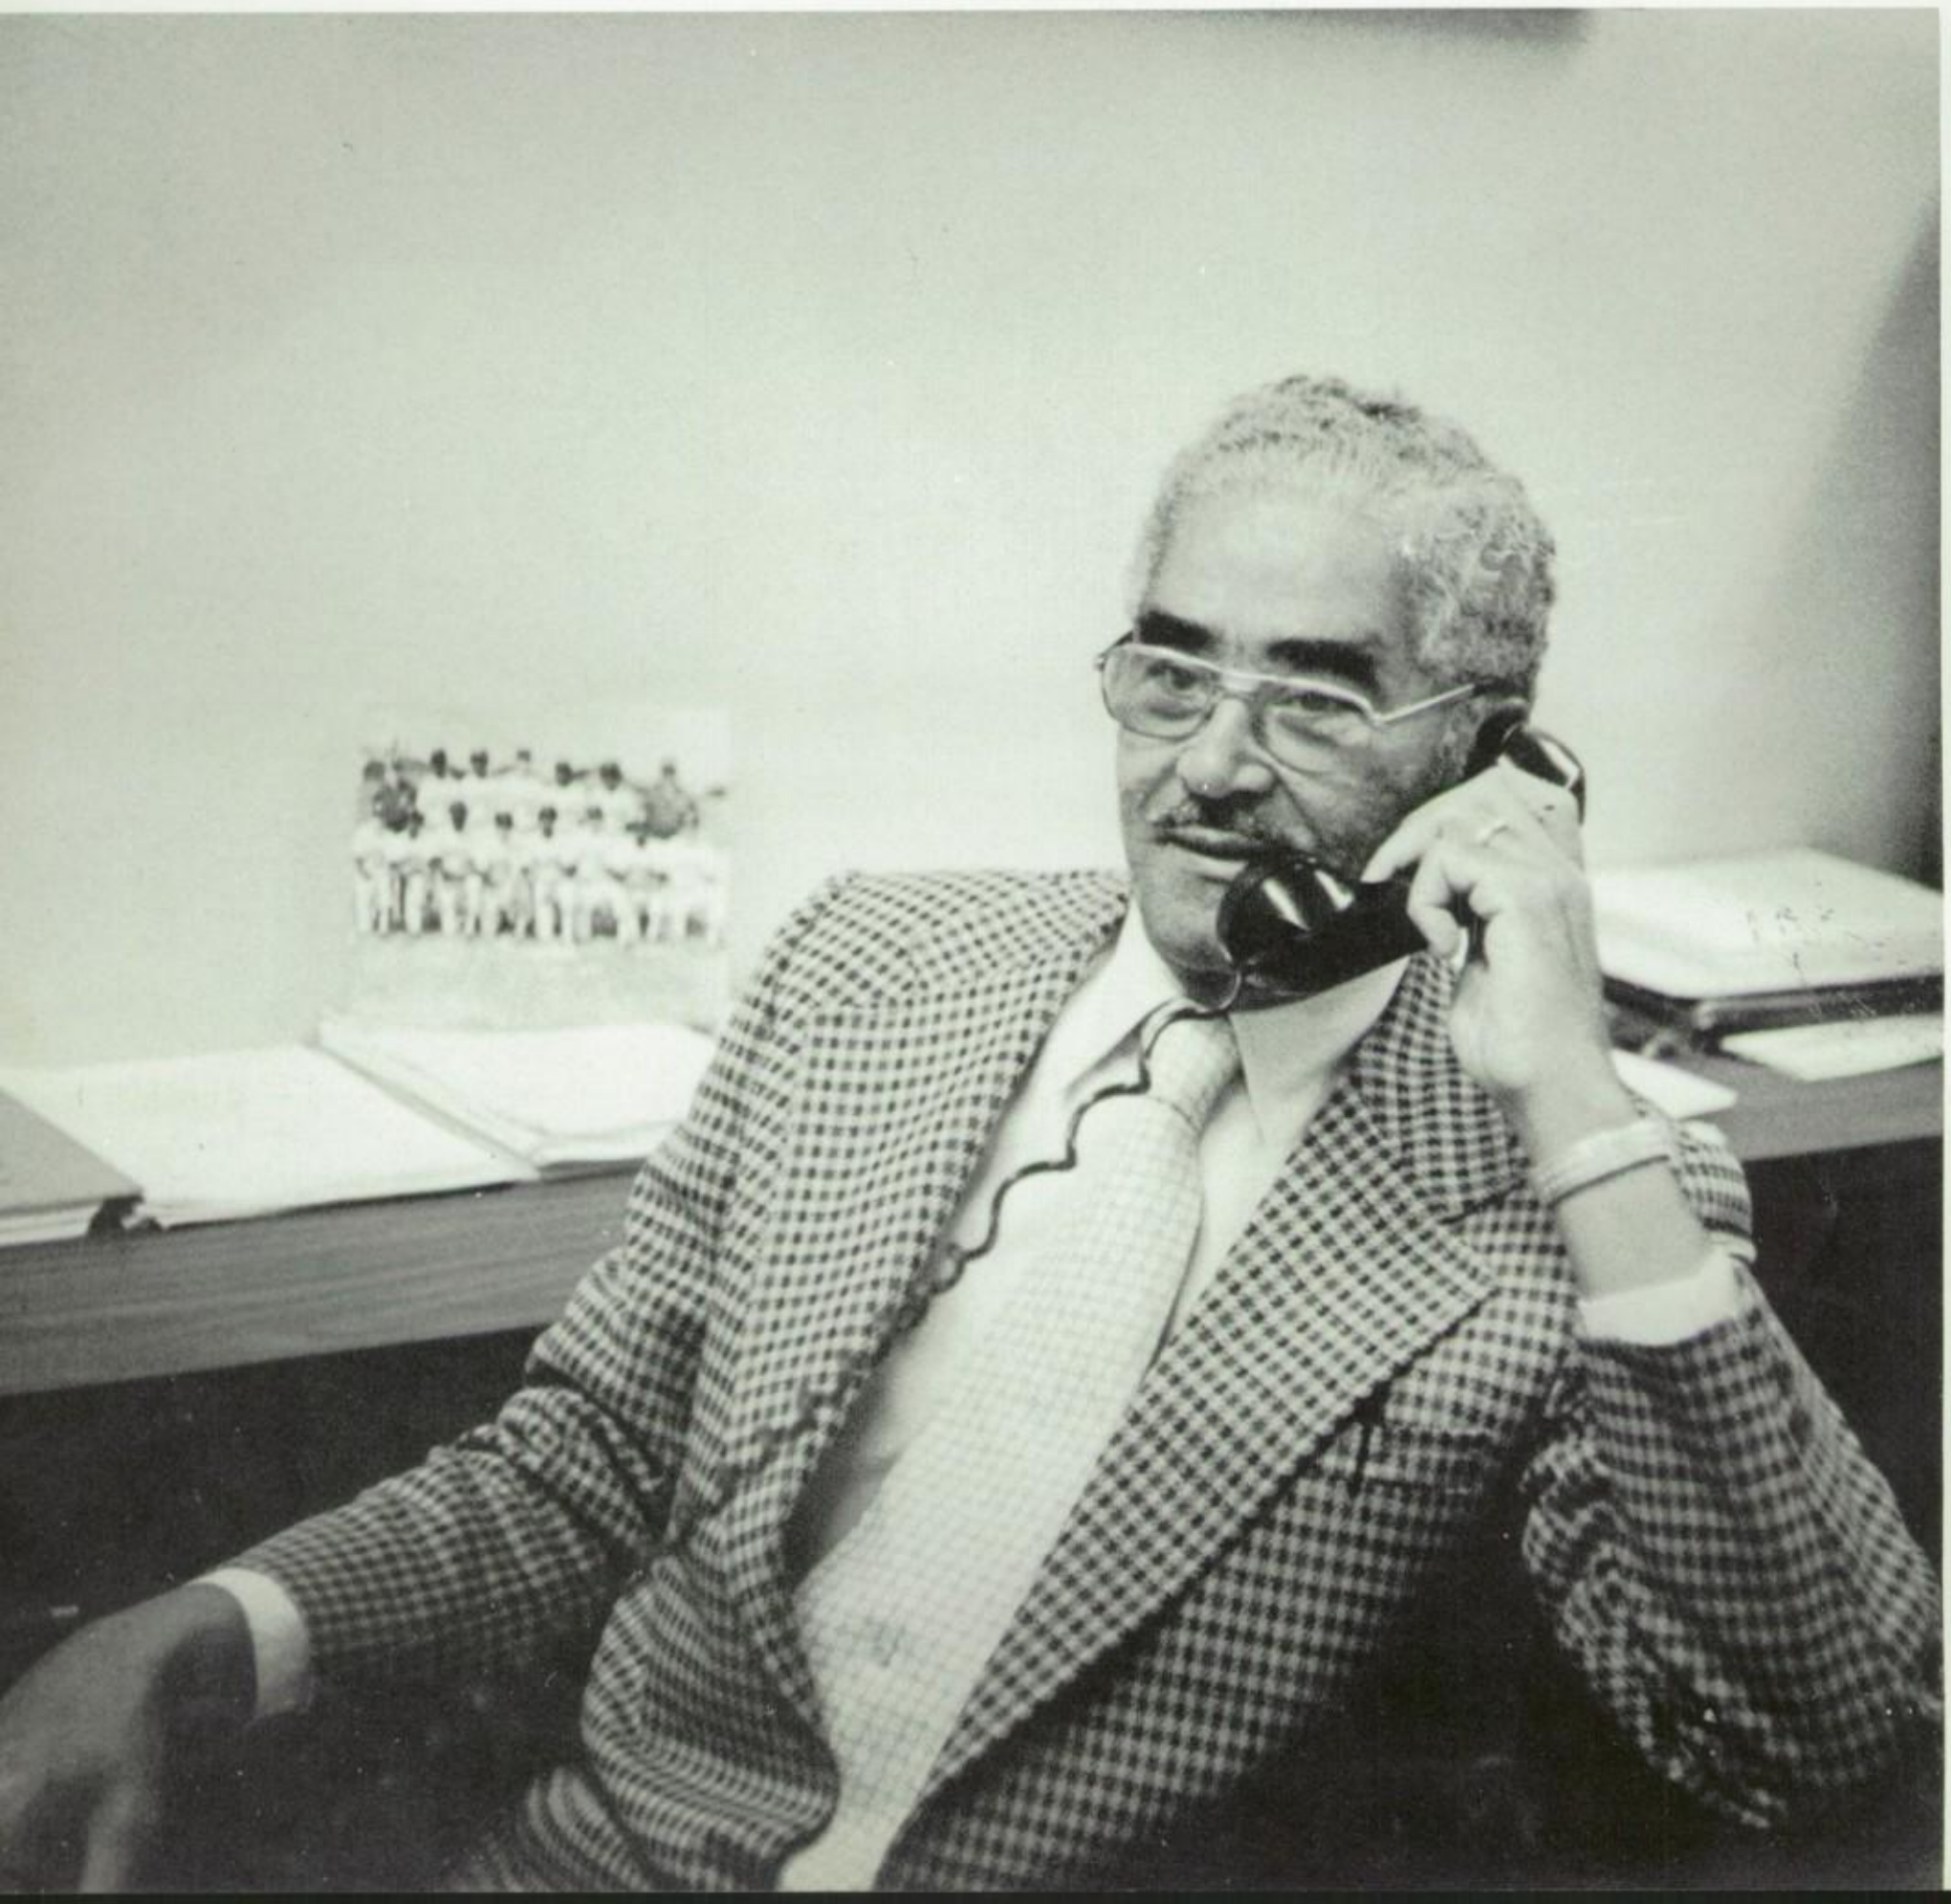
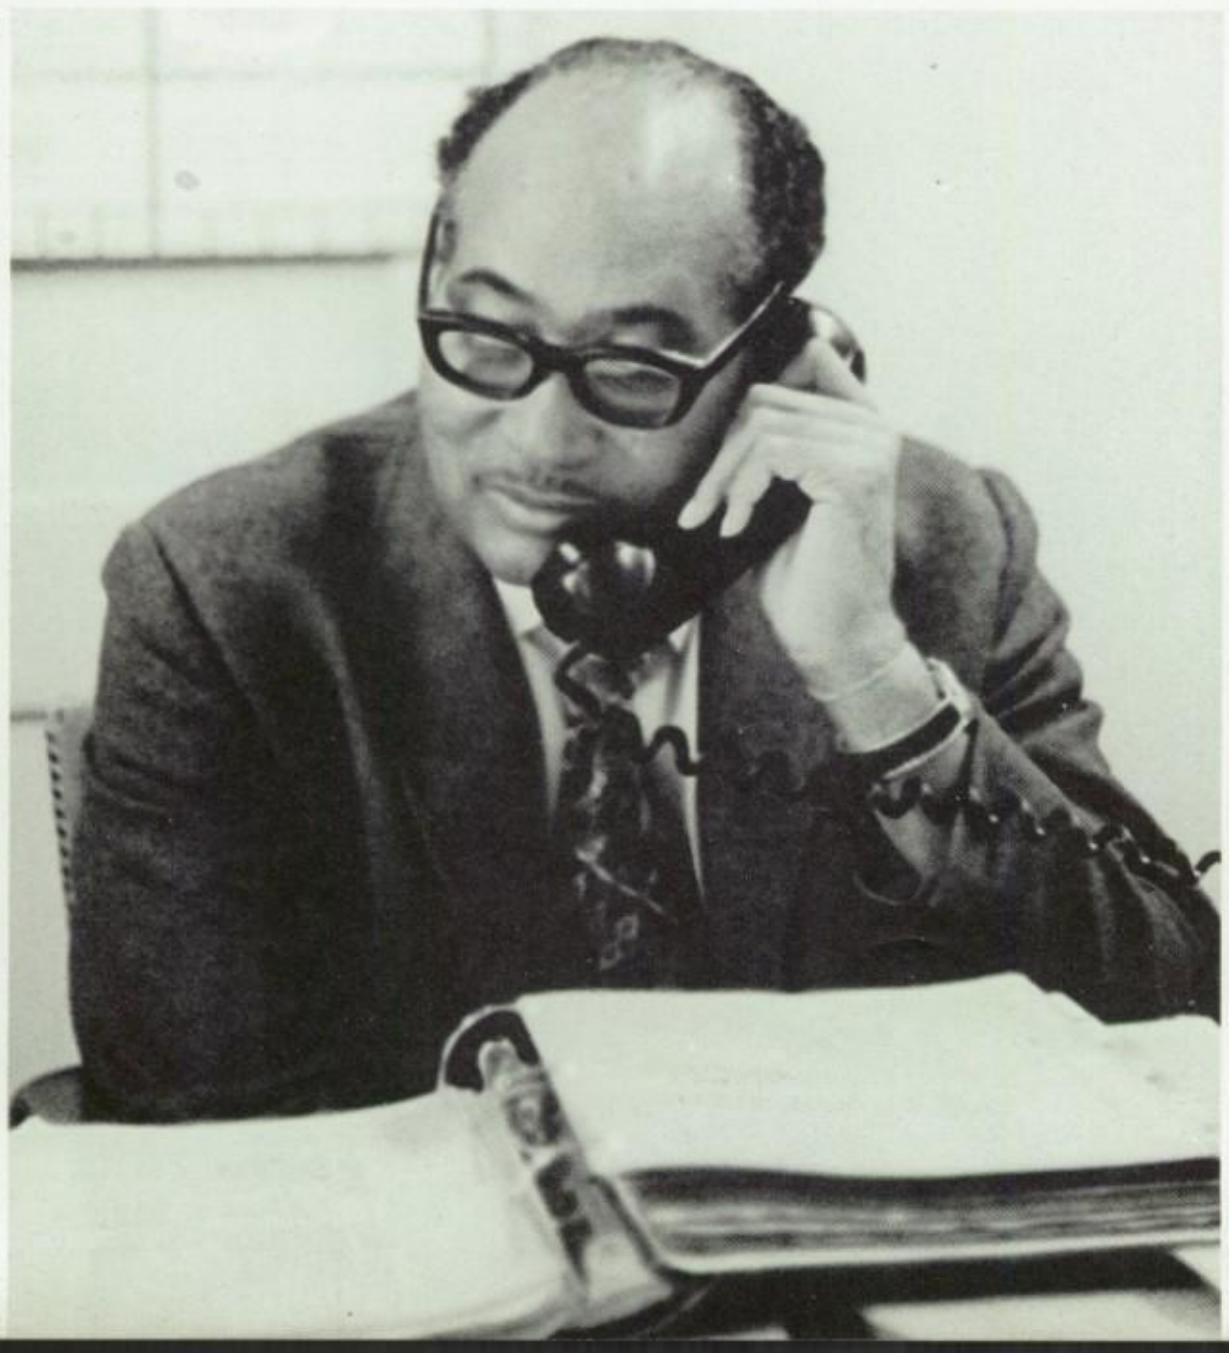
# Mr. Brown Enjoys Working With Students and Staff

Since 1965 Mr. Franklin Brown has been principal of Dudley Senior High School. Though time has changed the nature of his duties, working with students remains the favorite part of his job. It is this attitude on his part which serves to strengthen the bonds between the faculty and students at Dudley. During the school day, Mr. Brown is constantly at work to help the students and faculty.



1. Mr. James Howell
2. Mr. Chester Bradley

# Assistant Principals Aid Mr. Brown



Dudley High School employs two assistant principals, Mr. James Howell and Mr. Chester Bradley. Mr. Howell is assistant principal in charge of instruction. His responsibilities include supervision of subjects taught, scheduling, and teacher assignments. Mr. Bradley is in charge of student affairs. He is responsible for handling discipline, student activities such as clubs, and management of school buses.

Although these men have their specific assignments, their jobs are interchangeable. Dudley is fortunate to have these two dedicated men serving as assistant principals.

# Secretaries' Duties are Many and Varied

The office secretaries are always busy. Their chief duties include answering the telephone, filling out Mr. Bradley's discipline reports, typing, taking attendance for the computers and doing other general office work.

The guidance secretary has many duties also. Besides typing for the guidance counselors, she makes copies of transcripts for seniors and for students that have already graduated.

The Media Center aide takes care of the secretarial duties within the Center such as typing, writing book orders, and filing. She also handles such jobs as straightening magazines, keeping periodicals in order, and making copies of pictures for students. She has been a great help to all who work in the Media Center and the librarians.

# Pupil Personnel Services Aid Students

1

2

The counseling staff of Dudley Senior High School is composed of four guidance counselors, a career counselor, and a guidance secretary. In addition, itinerant personnel such as the school nurse, the vocational rehabilitation counselor, and the school psychologist serve Dudley students on a part-time basis. This combined staff offers a full range of pupil personnel services, including personal counseling, occupational and educational information, career counseling, testing, referral, and post-secondary educational and employment placement.

The pupil personnel services program operates in support of the instructional program of the school. The goal of the counselors and the other members of the pupil personnel staff is to insure that each student has the opportunity to develop to the highest level of their personal, social, emotional, and career maturity.

# Language Arts Teachers Guide Students in Elective Program

The Language Arts program seeks through its approximately 50 elective courses to improve the language arts skill of all Dudley students. Through counseling with his teachers, each student designs his own language arts program to fit his needs and interests. Ideally he will be better able to communicate with the world and to understand and appreciate its literature.

A departmental staff with diversified talents works together to strengthen Dudley's language arts program and to foster a love of learning in Dudley students.

# Foreign Language is Practical Asset

Why do we teach a foreign language? Students will say: "Because we need two years to go to college". We the teachers here at Dudley say that we teach it because language is a means of communication which leads to an understanding of other peoples, which is one of the main ingredients of living and working together harmoniously. We also say that it is a practical asset leading to professional and business opportunities.

# Math Department Offers Opportunities for All

The Math Department here at Dudley offers a wide variety of math courses ranging from Practical Math to Elementary Analysis. There are courses to meet the needs of all students, according to their capabilities and potential. Our Math Department offers a rigorous three years of study for those students who plan to attend college. It is recommended by all math teachers that students take as much as possible since technical and engineering careers are on the rise.

# Science Curriculum Aims for Scientific Literacy

Scientific knowledge and methods have changed our manner of living more rapidly than any form of human endeavor. The mysteries and challenges of science have stimulated great intellectual exploration and youthful curiosity.

Our varied curriculum in science provides scientific literacy that will enable students to relate to the technology of today's society and help them to develop the power of critical and analytical thinking.

# COE Coordinates Work-Study Program for Students

COE is a cooperative work-study program for students who need a part-time job while they're also going to school. It is a cooperative program between the school and businesses in the community. The student goes to school in the morning and gets out of school early so that he can hold down a part-time job.

In the classroom part of COE students learn about such things as: applying for jobs, job interviews, development of good work attitudes, development of good work records, managing money, self-analysis, and career awareness.

Each student is evaluated by his employer as well as by the teacher. He receives a grade for his classroom work and also a grade from his employer based on his work record.

# COO Prepares Students for Work

6

7

Typewriting, accounting, shorthand, business machines, clerical skills, and data processing are just a few of the interesting and informative courses in the Business Department.

The Business Department prides itself in preparing students with a saleable skill when they graduate from high school. Why pay money for post secondary school to learn office procedures when you can get it for free in high school? College-bound students learn to type and save money when they go to college. Why pay someone to type term papers when you can do it yourself? The Business Department is ready to serve the students and would like to urge more students to take advantage of learning skills which can be applied before and immediately after high school graduation.

The Business Department also has a work-experience program which is available for seniors who have business skills and who are interested in working on the job during the school day. This is the Cooperative Office Occupations program.

# Occupational Education Develops Skill and Responsibility

The world of today exists only a brief moment in our complex and changing society, yet what we build today, changes individuals for generations in the future. It is our responsibility as teachers and advisors of Occupational Education to develop a program which will encourage the students to set high standards and prepare themselves in order that they may achieve what our world of tomorrow will expect from them.

The development of skills alone is not sufficient to prepare our students for the future success. We must develop skilled leaders to assume responsibilities — responsibilities which presently do not exist. Preparation for leadership is most difficult! No individual can accomplish this task alone. Only through the joint efforts of everyone can this become a reality.

# Time Changes Social Studies Program

## Social Studies

The Social Studies program was altered three years ago in order to provide our students with a wider range of choice. As a result, American and World History courses are still available but in addition about twenty other subjects are offered.

The most popular courses to date have been American Social Problems, Minorities, Wars of the Twentieth Century, U.S. History, The U.S. Today, and Psychology.

The greater the understanding of the social scene, the greater the ability of the individual to make worthwhile personal and social choices.

# Media Center Reaches Out to Enrich Learning

7

The Media Center reaches out in many ways — for thinkers who seek fuel to fire their thinking, for hungry brains and idle ones that need satisfaction from the thoughts of others, for new ways to do old things. The depth and height and width of these three dimensions make a thing real. Our Media Center collections represent many points of view, treat many subjects, and suit many tastes.

What constitutes good Media service? — it is not books alone. It is a complex combination of people and ideas. First, always, are the people: readers who find a new life in books; scholars who seek wisdom in the ideas of others and more accessible to those who need them.

# Home Economics Program Opens New Fields of Interest

The Home Economics Department at Dudley Senior High School is tailored to meet the needs of its students. # Art Enriches Student's Education

The primary function of Art Education is the total development of the student. Through active involvement in art experiences, it should encourage the growth of skills, creativity, self direction, and emotional maturity. It is hoped that with an understanding of art and its basic skills, the student will carry with him an appreciation of his creativeness, his surroundings, and his cultural heritage. For some, this foundation will lead to further art study and the possibilities of art as a vocation.

# Air Force R.O.T.C. Promotes Leadership Capabilities

Air Force Jr. ROTC is a three-year academic course entitled Aerospace and Leadership Education. It is designed to enable high school students to become better informed of the challenges and opportunities in the Air Force today. AFJROTC also promotes leadership capabilities and knowledge of the organizations of the Department of Defense.

In the first year, cadets learn the history of aerospace equipment. Second year cadets study the principles of flight, navigation, propulsion and other fundamentals. Also examined are the many connections between military and civilian aviation. Third year cadets study aerospace power and the space flight program.

4

# Panthers Work Hard Despite Poor Record.

3

Dudley's early hopes for a successful football season soon dwindled after a devestating Page team dropped them by the wayside, (49-0). Mid-season losses to Grimsley, (9-0), and Smith, (26-13), were exciting and relatively close games. The Panthers' only win over East Forsyth proved to be another exciting encounter. The final record, (1-8-0), was not demonstrative of the hard work and determination of the Panther squad. Despite a poor record, the Dudley team had three members on the All-City team and two of those made the All-Conference team.

5

# Dudley Cagers Suffer Unsuccessful Season

Panther basketball suffered greatly this year. Early in the season the Dudley Cagers fell to Durham Hillside in two consecutive games (80-56, 77-61) to open the season. William Thompson, Joel Woody, and Gilbert Kennedy kept the Panthers in close range of the Hillside's four-corner offense.

Later in the season the Dudley squad battled to a suspenseful 22-all halftime deadlock with the Eagles of Smith. Then big 6'8" Charles Wright of Smith went on a scoring spree, scoring 16 points in the final quarter to extend the four point, third-quarter lead to a 60-49 end. Carlton Avant was high scorer for Dudley with 10 points.

The next week found the Grimsley Whirlies visiting Dudley, only to be ripped apart in the closing minutes by the spasmotic scoring of junior Chris Ingram, who scored 12 points in the last quarter to insure a 50-45 victory for the Panthers.

Devastating losses to W.S. Reynolds and Page (91-41 and 81-39 respectively) were demonstrative of most of Dudley's basketball season.

After this bad season the Panthers found themselves in the Central 4-A, Group 8 cellar. This sent Dudley to play the Pirates of Page in the first round of the tournament, only to bow for the third time this year to the Page Pirates.

Three things halted Dudley's attack on the Central 4-A Group 8 Conference Title this year. These three thorns in the side placed them last in the regular season and cost them the first-round victory in the tournament.

The first reason was that while the other conference teams had centers at 6'8", 6'7", and 6'6", Dudley's tallest players came in at 6'3" and 6'2".

Another problem for the Panthers was the ages of the squad members. Along with three sophomores, only five seniors played this year; two of these were first year high school players.

Still a third problem was that many of the players came from different areas of the city and had no experience playing with each other as a team while other schools' squads had ready made teams in their ranks.

Despite size, age, and experience Dudley showed well in several encounters and kept all opponents on their guard.

# Girls Basketball Team Shows Potential

The girls' basketball team showed potential this past season. The squad consisted primarily of sophomores. This lack of experience was a dominant influence in the losing season. The team was also plagued with illness and injury.

Individual performance sparked some light into an otherwise drab season. Sophomore Cindy Adcock averaged 11.5 points per game. The leading free throw shooter was Cindy Amos with an average of 63 percent from the foul line. Doretha Hurdle averaged more than ten rebounds per game.

Ms. Lentz and the girls are to be commended for their dedication and long hours of practice.

# Boys' and Girls' Tennis Teams Compete in Tough Conference

The Dudley Boys' Tennis Team for 1974-75 is comprised primarily of underclassmen. Four squad members are sophomores. They are Keith Latta, William Locklear, William Horton, and Chris Wrenn. Jamey Smith, Ray Hopkins, John Gerringer, Tim Abbott, and Kenny Fentress make up the junior team members. The only upperclassmen are Bryan Culbreth and Garry McCluskey.

This season, the team fared well but next season should show many improvements. Nine of eleven members will be returning. The team should be more seasoned to the competition and the schedule will show an increase in victories.

The 1974-75 Girls' Tennis Team was Dudley's first. Two seniors, Marisa Gariglio and Laurie Chandler, lead the team. The girls were placed in a tough conference and, according to Coach Don Bohlen, they did exceptionally well for beginners. Other than Marisa and Laurie, the team includes sophomores Pam Hartman, Janet Henry, Janice Henry, Sherrie Burris, and Kathy Coleman.

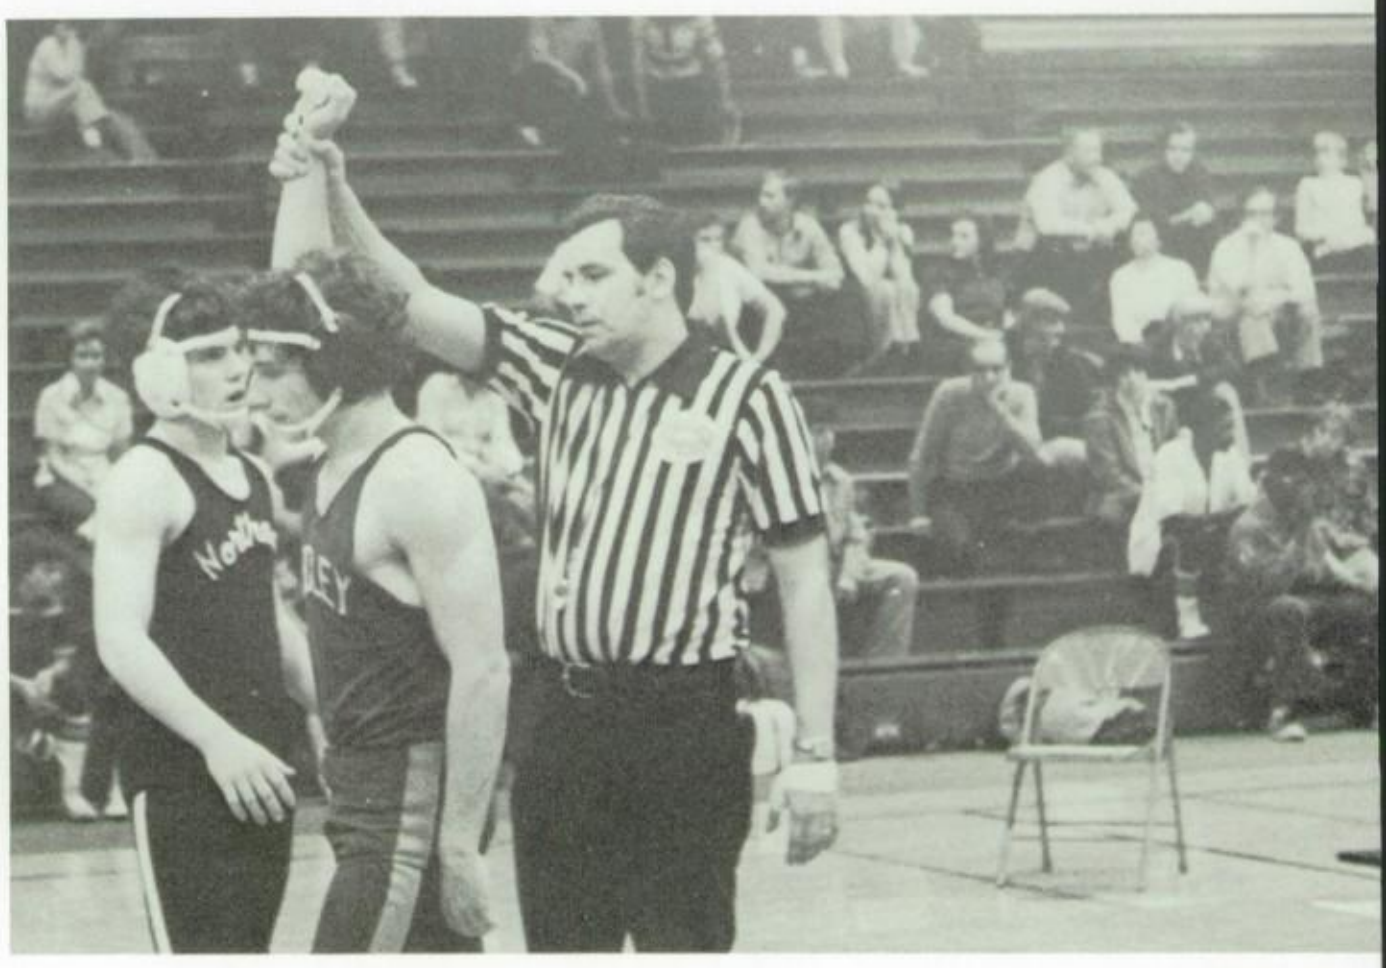
# Dudley Shows Good Form in Early Season Matches

Panther wrestling squad shows the 4-A conference what it is made of with early season victories over North Forsyth and High Point Central. The Dudley grapplers moved from a preseason tournament slump to rise to a 2-0 record for the first month of regular season play.



Dudley's wrestling season opens successfully: (1) Joe Schoolcraft rises victorious over Northeast opponent; after (2) grueling match. (3) Darrell Snotherly fights for pin. (4) Rick Brown works on strategy of upcoming match. (5) Stanley Darden is early aggressor to take down opponent and, (6) is at advantage in closing seconds of the match.

# Volleyball Team Shows Unity and Spirit

The girls volleyball team finished with a 3-10 record. Although this is not particularly good, the overall improvement of the team was significant. This year's team was the most offensively-minded group that Dudley has had in recent years. Setters Connie Riffe and Cindy Amos enabled the power-spikers: Cindy Adcock, Denise Hunt, Mert Israel, and Sandra Wingler to make effective hits. The team had very good depth. In many instances the second game of a match was played by an entire new group of players.

The calibre of volleyball at Dudley is improving. The team's unity and spirit this year was excellent.

# Functions

Entering into its twenty-third year of existance, the Dudley chapter of the National Honor Society is a fifty member club involving both juniors and seniors in its activities. Membership in the Honor Society is based on outstanding qualities of scholarship, leadership, character, and service. Among the many activities that the Honor Society has been involved in this year include participating in the State Honor Society convention, decorating a Christmas tree at Carolina Nursing Home, providing food for a needy family at Thanksgiving, holding a bake sale, and participating in the Teen Age Carnival. This years officers are Bucky Priester, President; Herman Matherson, Vice-President; Laurie Chandler, Secretary; and Vickie Lee, Treasurer.

NHS Members: Diana Brady, Kathy Cahill, Lauire Chandler, Angie Connor, Gwen Corry, Velma Corpening, Steve Ellington, Teressa Erskine, Sarah Faulk, Marisa Gariglio, John Gerringer, Janice Gilmore, Travis Graves, Anita Hawkins, Ray Hopkins, Harriet James, Denise Jamison, Sabrina Jefferies, Robin Johnson, Patsy Jones, Lisa Kogutkiewiez, Lynn Kogutkiewiez, Brent Kasey, Joe Kelley, Ginny Kepreades, John King, Avva Krishna, Vickie Lee, Jay Lineberry, Sandy Lomax, Cindy Long, John Martin, Herman Matherson, Denise McDaniel, Pat McDougald, Phyllis McDougald, Bucky Priester, Sharon Ray, Gene Reavis, Stacey Reece, Pat Roach, Patsy Roop, Jean Schoolcraft, Jamie Smith, Mike Stanley, Patti Wall, Jay Waller, Evelyn Wooten.

# Latin Club Preserves Classical Language

Latin students at Dudley strive to show how this classical language lives today, to encourage the study of Greek and Latin, and to learn about the influence of the Romans and Greeks upon our present civilization. The Latin Club's activities include the celebration of Saturnalia, (Rome's equivalence of Christmas), Rome's Birthday and the Olympic Games.

President, John Gerringer; Senators, Kenneth Fentress, Cochitha Ray; Treasurers, Mandy Burnett, Jackie Smith.

# Spanish Club Increases

Donna Andrews, John Barbour, Donna Beck, Theresa Brackett, Brian Bumgarner, Judith Butler, Valerie Clark, Lisa Coates, Kathy Coleman, Cathy Coletrane, Sheila Cornelius, Sylvia Cornwell, Leslie Craddock, Carol Curtis, Jimmy Davis, Diane Dean, Mildred Dean, Rita Dingle, Audrey Evans, Charlie Fields, Bonita Fleming, Richard Freer, Kelly Garner, Marisa Garigilio, Kathy Garrett, Carl Goode, Pamela Graham, Rita Hall, Janet Henry, Janice Henry.

The Spanish Club has grown from 20 members in 1973 to a membership of 70 in 1974.

The club has two continuing projects during the year: It helps support a family in Greensboro by bringing food, clothing, and household items during the major holidays; it also supports a child in Guatemala by sending $12 per month which houses, clothes, feeds, and educates him.

In order to meet the expenses the club engages in one money-raising project as well as participating in the GYC Flea Market and Teen-age Carnival. At Christmas time many members work at GYC Toy Headquarters cleaning, fixing, and packaging toys for needy children throughout Greensboro.

The members work very hard during the year and their rewards are twofold: They receive the satisfaction of having helped people in great need and the pleasure of spending a weekend at the beach, all expenses paid by the club.

This year the club hopes to initiate a Spanish Club Scholarship to be granted to a graduating senior who has excelled in the study of Spanish. The scholarship will be to the college of his choice.

Rita Dingle and Jim Lambert show Christmas presents and food for club's foster family.

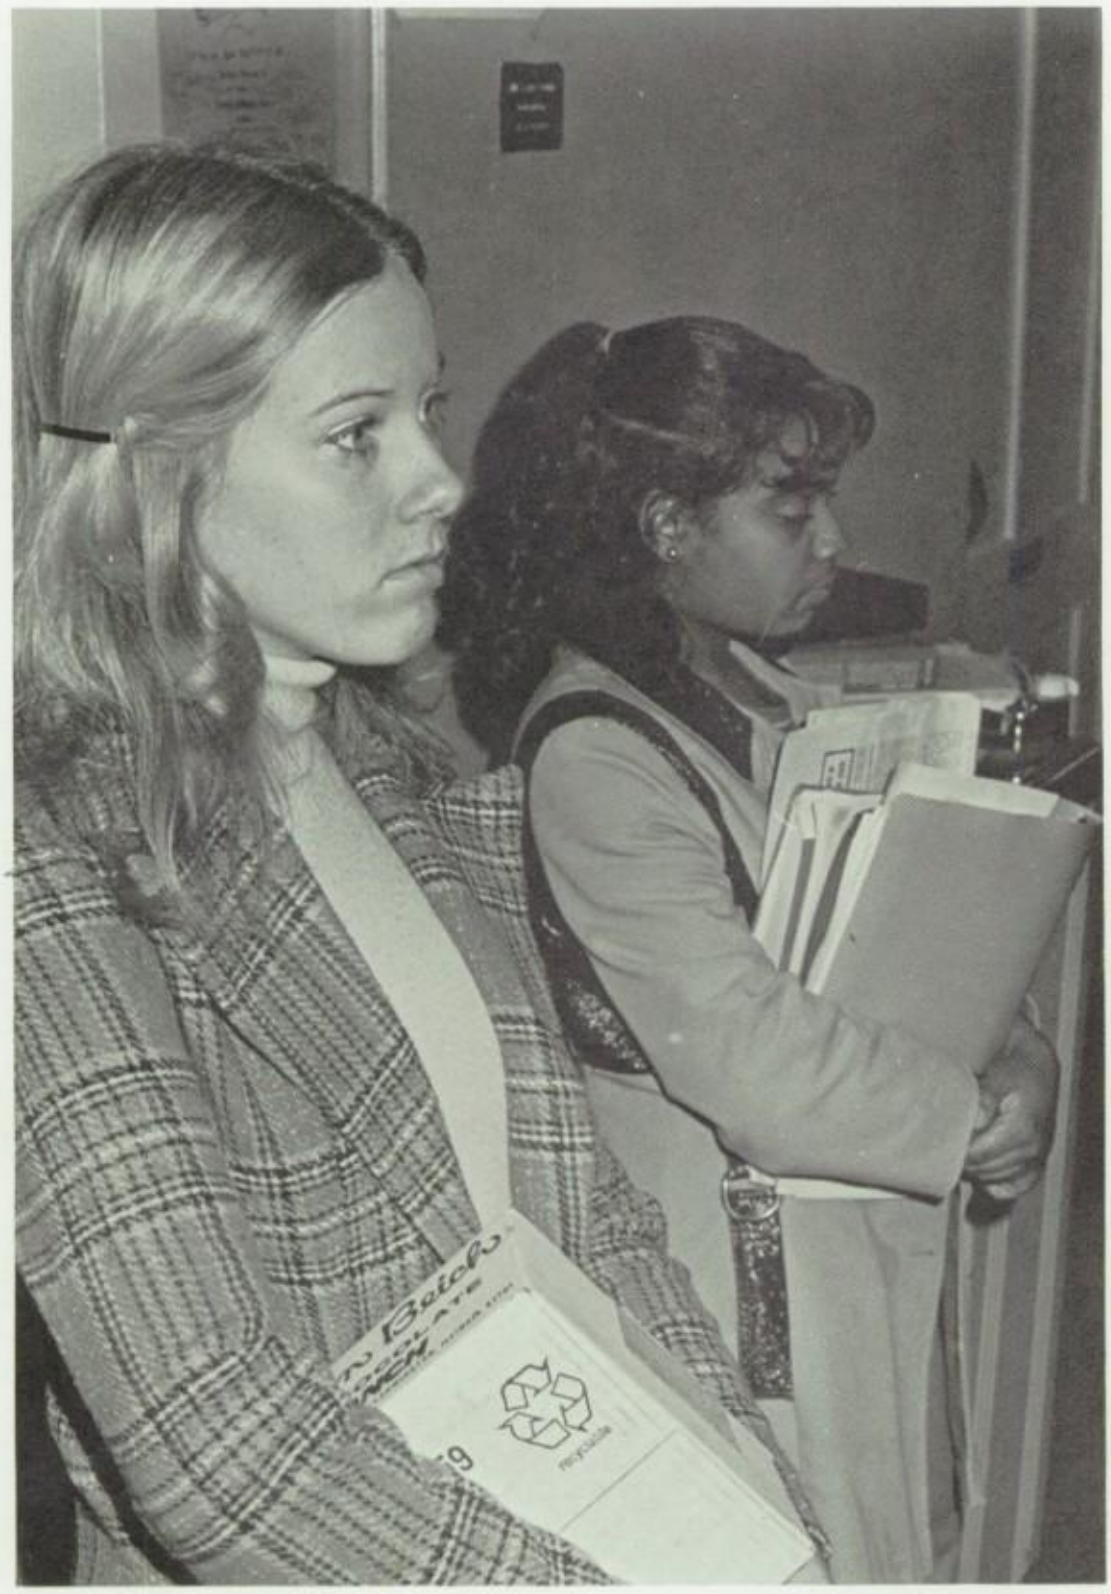
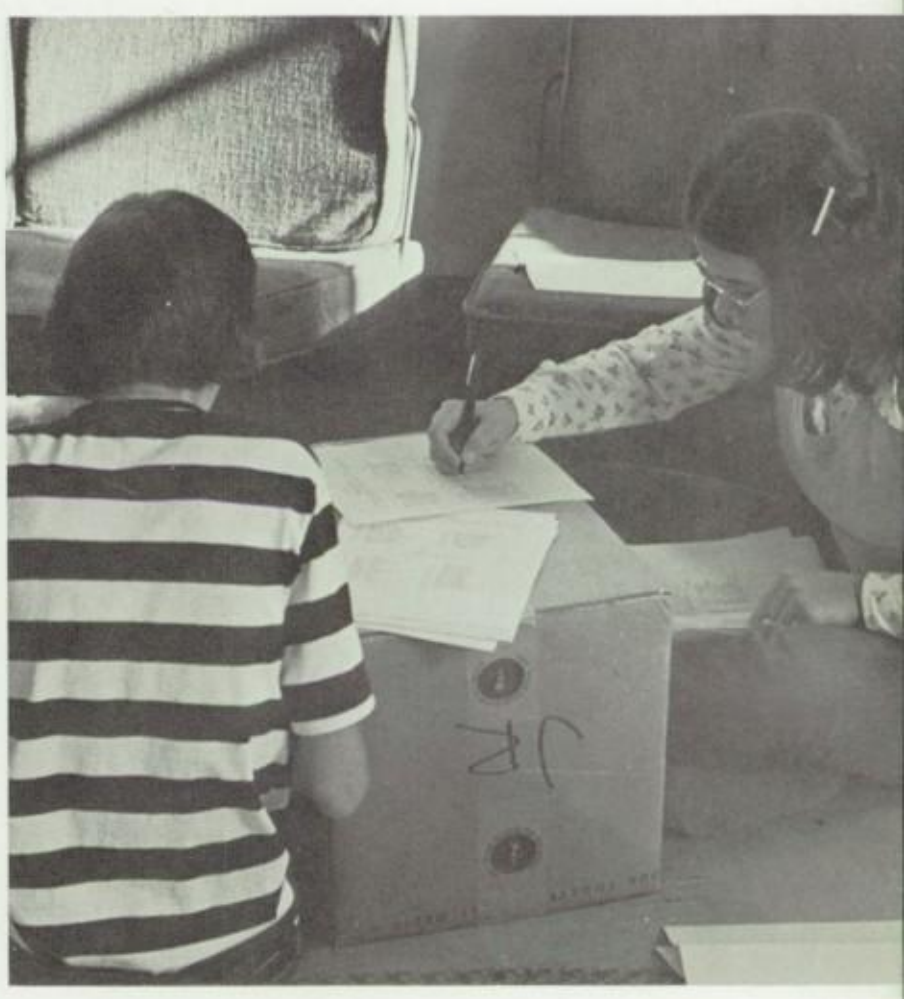
# Student Council Promotes School Projects

Sherri Tolbert and Iris Cummings share the efforts of raising money for the Sophomore Steering Committee by selling candy.



The Student Council has been very involved with school activities. Some of the many projects the Council has participated in this year include sponsoring several dances, heading the Homecoming Festivities, and raising money for Christmas gifts for the janitorial staff. They also sponsored the Dudley Hi IQ Bowl Team.

Cindy Pegram and Harry Nicolas count votes to determine Council Representatives for each class.



The Council meets informally in order to discuss school problems and student activities.

# DECA

DECA Officers: President — Tim Strickland; Vice-President — Sylvia Woods; Secretary — Wanda Hairston; Treasurer — Maria Martin; Historian — Christine Westbrook; Parliamentarian — Ricky Chism.

D.E. students combine practical on-the-job work experience with their theoretical textbook knowledge. These students "earn while they learn". Some of the topics studied in the Distributive Education classroom are job application, job interview and job orientation, business communications, salesmanship, advertising, merchandising, display, taxes, distributive and marketing careers, economics, and other business related topics.

### The DECA Creed

I believe in the future which I am planning for myself in the field of distribution, and in the opportunities which my vocation offers.

I believe in fulfilling the highest measure of service to my vocation, my fellow beings, my country and my God—that by so doing, I will be rewarded with personal satisfaction and material wealth.

I believe in the democratic philosophies of private enterprise and competition, and in the freedoms of this nation—that these philosophies allow for the fullest development of my individual abilities.

I believe that by doing my best to live according to these high principles, I will be of greater service both to myself and to mankind.

# Joe Kelly Leads FBLA 1974-75

The Future Business Leaders of America is a national organization. To become a member of FBLA you must be enrolled in one business course.

Members of FBLA learn how to engage in individual and group business enterprises, and how to work with representatives of other youth organizations.

FBLA provides an opportunity for travel to state and national conferences, visits to business and industrial enterprises, and close contact with successful businessmen and women.

# VICA Students Get Involved

The Vocational Industrial Clubs of America are for students enrolled in the Industrial Cooperative Training program at Dudley. The goals of VICA are to aid students in developing leadership, character, and citizenship.

VICA students here at Dudley participate in various activities of the community. Norma Carchetti, the club's entry in the Miss Christmas Seal Contest, was the winner from Dudley this year. All proceeds from this contest went to the Piedmond Lung Association. At Thanksgiving, Christmas, and Easter, club members contributed food items, which were given to needy persons in the community.

In an effort for members to get together as a club outside school, breakfast meetings were held once a month in nearby restaurants.

To show appreciation for the employers who cooperate with the ICT program, an Employer Appreciation Banquet was held in late spring.

# HERO Members Learn on the Job

Students enrolled in Cooperative Home Economics and members of HERO are employed within the city in various service jobs. They increase their knowledge of the working world through on-the-job training, class experiences, and field trips.

Members, through a fund-raising project, earn the monies to honor their employers at the end of the school year with a banquet.

Members also develop awareness of the community through several projects directed at helping others and beautification of their surroundings. Mrs. Doris Owens is the club's advisor.

HERO members prepare Christmas meal and exchange gifts after successfully completing their Christmas project, a basket of food to a needy family. Karen Lyons, Eva Hicks, Cindy Kline, and Deborah Courts look at Sylvia Gainey's almost burned rolls.

# Future Homemakers Are Active

FHA strives for improvement in personal, family, and community living. They indulge in activities cooperatively planned by their own members. FHA also offers opportunities to development leadership as well as social and civic awareness.

During this year they have been involved with many things: the installation of officers, several covered dish dinners, a Miss Christmas Seal contest, adoption of a needy family during Christmas and a Valentine's party. They also held their annual Mother-Daughter Banquet and attended many rallies.

# Bus Drivers' Record Best In City

Bus driving is a pretty hectic business. Mr. Bradley and Mr. Westmoreland are doing a good job of keeping the bus drivers in order and out of trouble.

In bus driving homeroom the bus drivers discuss their accidents, treatment of the students, weather reports, and the care of their buses.

Dudley High has the best record in the city. They haven't had any accidents this year.

Science Club Officers: President, Allan Davis; Treasurer, Young Rochelle; Vice-President, Richard Martin; Secretary, Karen Houston.

# Science Club Sponsors Science Fair

The Science Club has expanded this year to a membership of twenty. The members have been actively involved in a variety of club activities. They sponsored a Science Fair for the students at Bluford Elementary School. The club members served as judges for the students' entries and then awarded the winners ribbons and certificates.

Occasional trips were made to the Morehead Planetarium to view the different programs that were of interest to the members.

The Science Club held a rummage sale at one of the local churches in the spring to raise funds for its activities.

Science Club Members: 1st row, l to r: Herman Matherson, Mr. Neal, Jon Glass; 2nd row, l to r: Wanda Donnell, Bonny Sharrod, Kim Craig, Annette Breeze, Ruben McElrath, Anthony Pettiford; 3rd row, l to r: James Waller, Richard Martin, Young Rochelle, Ramona Dockery, Karen Houston, Allan Davis, Keith Latta, Harry Nicholos.

# Media Center Assistants

One of the best means of developing interest in the school Media Center is the organization and services of the Media Services idea. Each assistant is given an opportunity to participate in as many varied media services and duties as possible in order that individuals may develop well rounded conceptions of Media Services. Media Service training offers a wide field of specialized instruction in creative and individual laboratory duty. This experience provides excellent opportunity for community service activities.

Media officers: left to right, are Barbara Marshall, Vice-President; Louise Deaton, Treasurer; Gwendolyn Corry, Secretary; Karen Houston, President.

# Drama Club

1974-75 was the year that drama really took off at Dudley. Under the banner of the new drama group, the Dreamspinners, Dudley's drama department became very active early in the year. In November they produced the musical CARNIVAL. December saw the formation of the Dudley Touring Theatre, a permanent group to perform all over the state and they did. INTERVIEW opened at Dudley in February and then played at North Carolina State University and the University of North Carolina at Chapel Hill before returning to Greensboro.

## Student Affairs Committee

The students affairs committee is designed to bring the student body closer together. Mr. Bradley, who is in charge of the meetings, calls the student affairs to a meeting whenever he thinks there is a problem they can solve. Some of their special projects for the year are Human Relations Week, Student Exchange Day, Student Relation Week and Student Leadership Day.

# AFJROTC Develops Character Traits

The Air Force Junior Reserve Officer Training Corps is an organization designed to promote and develop academic excellence, leadership potential, and sound character in cadets.

Cadets are instructed in areas ranging from navigation and propulsaion systems to the organization of the U.S. Government. The instructor is a retired U.S. Air Force officer. He is assisted by a retired U.S. Air Force non-commissioned officer, who ususally conducts the non-academic portion of the course. This includes subjects such as wearing of the uniform, leadership, and drill.

# Marching and Concert Bands

Musical abilities and capabilities flourish at Dudley High School. This is evidenced by the Concert and Marching Bands. The Marching Band displays its abilities at the many ball games and pep rallies. The Concert Band contrasts in that it sets a musical tone for more formal occasions.

Instrument practice and music reading are the chores of the band members. Still, it isn't all work. It's fun also. Just ask any member.

# Practice Improves Percussion Ensemble

Daily practice has resulted in improvements from the many Percussion Ensemble members. From the improvements, a certain confidence has developed to the point that the Ensemble has ventured to others schools. This venture allows the members to play and enjoy the performance of other percussion ensembles.

The Percussion Ensemble has traveled near and far in performing concerts. Their travels have been as near as Porter and Foust Elementary Schools. The Ensemble has also journeyed to High Point and Jonesborough. At the close of the school year, they have a trip scheduled to Carowinds.

# Orchestra Improves Under New Director

This year's orchestra, although small in number, has displayed dynamic musical ability. Under the direction of Mr. Charles Jones the orchestra has steadily improved in the past two years. In March the orchestra traveled to Salisbury for the State Orchestra Contest.

# Stage Band Jazzes Up Performances

The thought of a stage band brings to mind an image of talented musicians. The concerts that the band performs range from classics to jazz to contemporary music. Dudley's Stage Band is just that. The band has performed many times away from school. One of the more memorable performances came at a United Way banquet held at the Golden Eagle Motor Inn. A concert was presented to the Dudley student body in Mid-December. Aycock students viewed another such performance in February. On two occasions, the Stage Band has played during General hockey games. With this sort of entertainment, the Stage Band will always be classy, jazzy, and talented.

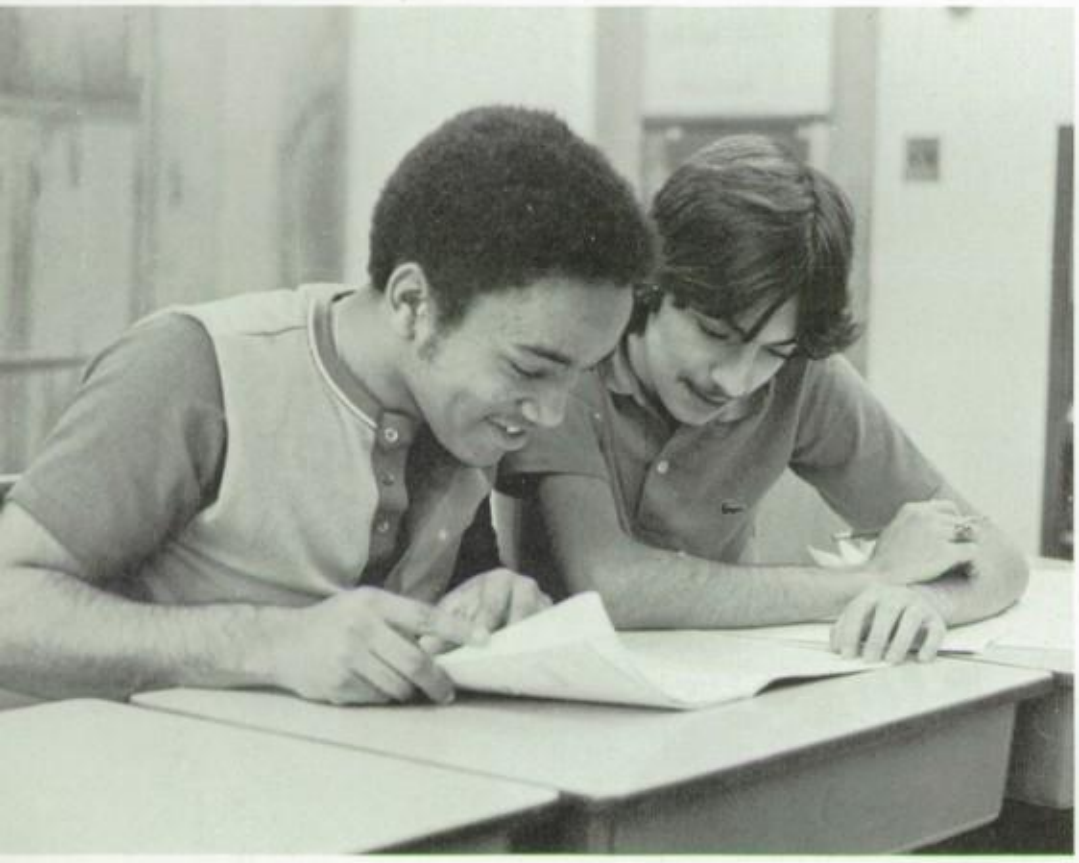
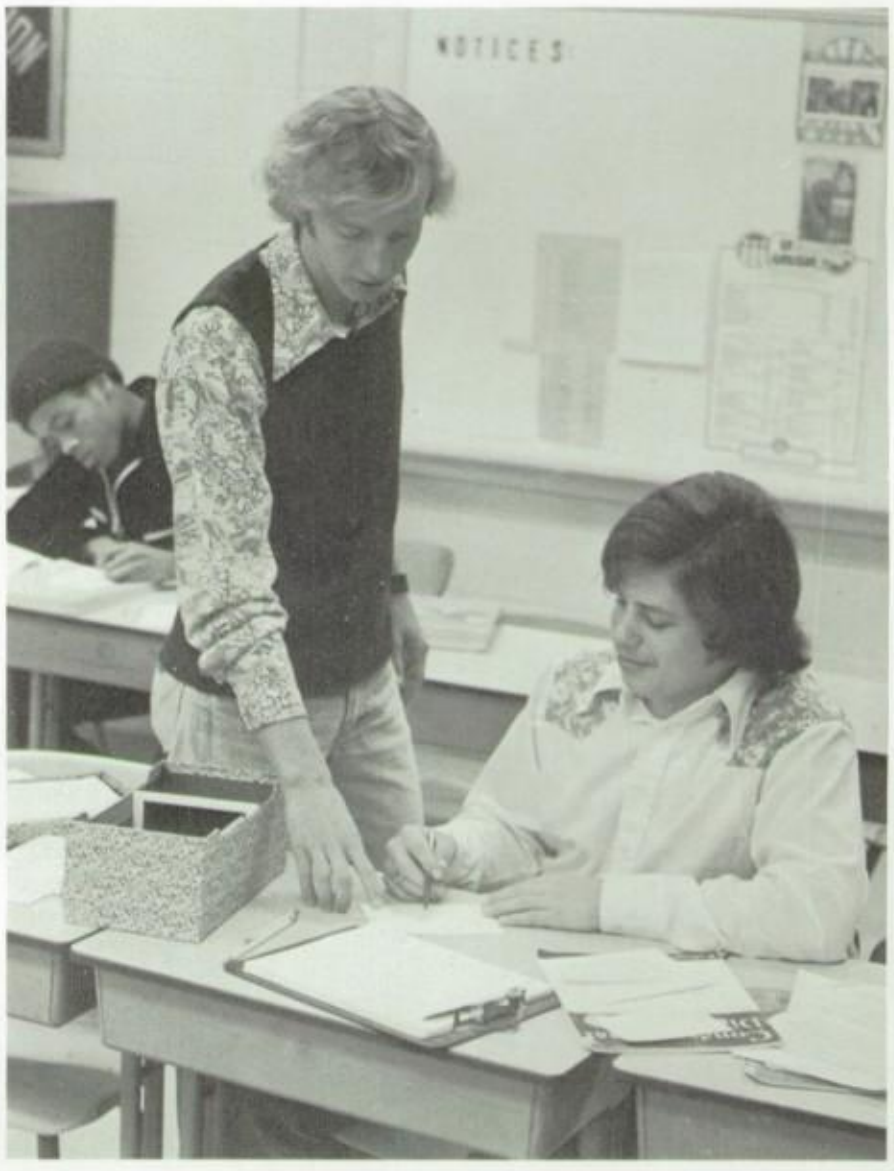
# Mr. Seaman Coaches Debate Team

Debate Club Members: Herman Matherson, Harry Nicholos, Elvis Borders, Jamey Smith, Tracey Spoon; not pictured is Joe Kelly, Sylvia Cornwell, and Timmy Dickenson.

Herman Matherson and Harry Nicholos work hard in preparation for a debate tournament. They spend many hours a week collecting information to improve their argument.



Debating is a sport which requires quick thinking, a quick mind, and the ability to correlate information and ideas. The Dudley Debate Squad is coached by Mr. Daniel Seaman, lending the team his experience as a debater at UNC-G. The topic debated this season is Presidential and Vice-Presidential Selection Reform.



Teamwork is essential in debate.

# Octagon Club

The Octagon Club is a service organization designed to serve the school, the city, and the community. The Greensboro Optimist Club, which is sponsored by Optimist International, is the parent club for the Dudley chapter. The faculty advisors for this year's club are Mr. Parks and Mr. Westmoreland.

At the present time the club is involved in making benches, similar to the one in front of the Science Building, to place at the various smoking areas around the school. Also the club is selling Christmas candles and wind chimes that were left from last year.

Members are: Mr. Parks, advisor; Steve Borders, Brian Bumgarner, Joe Schoolcraft, Bo Houff, Hurley Bullock, and Ronnie Johnson.

Octagon Club Officers: Steve Borders, President; Ronnie Johnson, Vice President; Eva Reid, Secretary; Bo Houff, Treasurer; Mr. Parks, Advisor.

# Future Secretaries Attend FSA Meetings

The National Secretaries Association, the O'Henry Chapter, sponsors the FSA. NSA members provide speakers for chapter meetings and set up tours of local businesses. A group of nine FSA members attended the FSA Workshop on November 23 at the Holiday Inn Four Seasons. FSA chapters from all over North Carolina attended the workshop. March 21-23, the FSA annual meeting was held at the Holiday Inn. Members competed for individual chapter awards.

# A comic strip in your yearbook?

This is our ad.

Maybe it's funny; maybe it's corny.

But at least it's different.

Because we think we're a different kind of Company.

Burlington is Number One in textiles and related products.

And high school graduates are the kind of people we need to keep us on top.

If you're looking for a job, look us up.

If you're going on to college, remember our name.

Burlington.

The company who didn't just say, "Congratulations, Seniors" in your high school yearbook.

**Burlington Industries, Inc.**

Cone—Champion of the casual way of life since 1895. We first made our mark in denim, and soon became America's leading manufacturer of this comfortable fabric. Next came Cone corduroy, an equal winner. Today the 25 plants of Cone Mills Corporation create and finish a whole line-up of fabrics for casualwear, sportswear, sleepwear, uniforms, and career apparel. Home furnishings and home sewing fabrics, towels, bedspreads—even dyestuffs and polyurethane foam are now part of our family of products. The 14,500 employees of Cone Mills Corporation are proud of their part in creating basic fabrics that are the backbone of American fashion. Cone®

Would you like to be a part of the Cone team? Contact us at any of our plant locations in the following communities:

Cliffside, Forest City, Gibsonville, Greensboro, Haw River, Henrietta, Hillsborough, Pineville, Reidsville, Salisbury, North Carolina; Carlisle, Cheraw, Greenville, Walhalla, South Carolina.

Years from now when we look back to our senior high years, we will realize just how good and important these years at Dudley have been. Time does change us all and helps determine our many futures. The yearbook staff hopes it has truly captured the memories, emotions, and activities of the 1974-75 school year.

Many people are responsible for this publication of The Panther. Thanks are in order to Mrs. Frances Comer, who served patiently as advisor; to Mr. Don Bohlen, Colonel Andrew Johnson, and Allan Davis, who spent many hours in the darkroom printing pictures to satisfy the insatiable taste of the annual staff; and a special thanks to Colonel Johnson for our fine color photographs. A big thanks goes to the faculty for their cooperation when we needed to be out of classes to meet deadlines.

Of course this book would have been impossible without a very dedicated staff. Although two deadlines were plagued with snow and an automobile accident, we met each deadline on time. The Yearbook Staff takes pride in presenting a memory book that we think will remind us of the times we cherished at Dudley.

Robin,

It has been a pleasure knowing you at Dudley. I know you are going to have a great summer. I can hardly wait until my senior year. Be good and take care of yourself. I wish you the best of luck in the future.
